## Marlen Europe BV Integrates into Marelec Food Technologies NV

*Nieuwpoort, Belgium – July 30, 2025 – As part of its ongoing growth strategy and commitment to operational excellence, **Marlen Europe BV**, a Duravant Company, is pleased to announce its integration into **Marelec Food Technologies NV**, also part of the Duravant family.*

Effective **July 30, 2025**, all operational activities of Marlen Europe BV will transition to Marelec Food Technologies NV, headquartered in Nieuwpoort, Belgium. This strategic move strengthens the company's footprint across **Europe, the Middle East, Africa, and Asia Pacific**, and aligns with Duravant's vision to deliver enhanced value and service to its global customer base.

### Key Changes

- Marlen Europe BV's company and VAT registration numbers will be replaced by those of Marelec Food Technologies NV.
- All other business details—including address, phone numbers, and bank account information—remain unchanged.

### **About Marelec Food Technologies**

Marelec Food Technologies has been active in the food-processing industry since 1983. The company designs and manufactures high-tech portioning, weighing, grading and control systems for the fishing and food industries to optimize the efficiency of manufacturing processes. Its team of enthusiastic engineers and designers is responsible for the development and production of these systems. A network of international sales offices and distributors in over 50 countries is available whenever a MARELEC customer needs advice, rapid delivery, or the best possible local after-sales service. Its systems are delivered across the world, with great attention to the individual requirements of its customers. For more information, visit [www.marelec.com](http://www.marelec.com).

### **About Duravant**

Headquartered in Downers Grove, IL, Duravant is a global engineered equipment company with manufacturing, sales and service facilities throughout North America, South America, Europe and Asia. Through their portfolio of operating companies, Duravant delivers trusted end-to-end process solutions for customers and partners through engineering and integration expertise, project management and operational excellence. With worldwide sales distribution and service networks, they provide immediate and lifetime aftermarket support to all the markets they serve in the food processing, packaging and material handling sectors. Duravant's market-leading brands are synonymous with innovation, durability and reliability. For more information, visit [www.duravant.com](http://www.duravant.com).
